

The easiest way to remove trapped ear water & help prevent ear infections

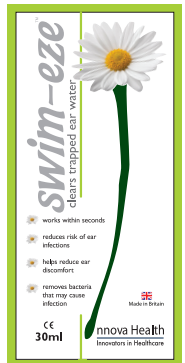

Innova Health

*swim-eze*TM clears trapped ear water

-  Eliminates the unpleasant symptoms of trapped ear water; feeling of pressure in the ears, temporary impairment of hearing, painful ear discomfort
-  Works within seconds
-  Powerful surface tension releasing action
-  Evaporates trapped ear water leaving the ear clean, water free & dry
-  Dramatically reduces risk of painful ear infections by removing any trace of water & bacteria
-  Recommended for use after swimming, diving, bathing & water sports
-  Combats trapped ear water when the problem occurs rather than having to use a preventative measure
